Dear Parent/Guardian

When travelling between home and school, students must adhere to various regulations regarding passenger behaviour and the codes of conduct for travel using public transport. It is every student's responsibility to behave in a manner that ensures the safety and comfort of passengers and drivers.

If a student misbehaves on a bus, the bus operator concerned will contact the school.

- Depending on the gravity of the offence, students may be required to give up their school bus travel pass or may be refused travel on the bus for a period of time determined by the bus operator in accordance with TfNSW's Code of Conduct for Students on Buses.
- Heavier penalties may apply to students involved in group misbehaviour.
- School principals have the right to take additional disciplinary action against a student under the school's discipline code or student welfare policy for any breach of the Code of Conduct.

The bus operator must provide written notification to the parents/guardians before a student's school bus travel pass can be withdrawn.

Should you wish to learn more about the Code of Conduct for Students on Buses visit the following website: <https://apps.transport.nsw.gov.au/ssts/#/studentCodesOfConduct>

Yours sincerely

Mrs Kylie Downey

Assistant Principal
