Active After School Activities – Gymnastics

Dear Parents Caregivers,

This year, we are able to offer some students the opportunity to participate in our Active After School Activities Program, commencing on Tuesday 11 February 2014 and continuing until 25 March 2014.

Each Tuesday afternoon, from 3.15 until 4.15 pm students may participate in a gymnastics program with a qualified instructor from the organisation Sport For Life Lower Newcastle. Mr Carl Derbyshire will also be supervising the students throughout this period of time.

There are only 25 places available for this wonderful opportunity.

If your child is interested in being involved in the Active After School Activities Program, please complete the attached permission slip and return to the office immediately. There is no cost for this program.

Yours Sincerely

Mrs Karin Hird
Principal

✂-----✂-----✂-----✂-----

My child, _____ in class _____ would like to enrol in Gymnastics commencing Tuesday 11 February from 3.15 – 4.15 pm.

I understand there is no cost for this program and my child will be participating after school hours in the Nords Wharf Public School grounds.

I understand that these activities will be taught by a qualified instructor and supervision will be provided by Mr Carl Derbyshire.
