Henny Penny Hatching

Dear Parent/Caregiver,

In Term 4, students in Kindergarten will have some special visitors in their classroom from 16 October to 27 October 2017.

We will have 3 one day old chicks and an incubator with 12 chicken eggs, allowing us to witness the eggs hatching and the chicks grow. This is a great learning activity that is engaging for all students.

At the end of the time in the classroom, families who have the resources to look after chickens may elect to take one or more of the chicks home. Please indicate on the permission note below whether you are interested in adopting any.

The cost of this incursion will be \$12.00 per student.

Permission notes and money need to be returned to the office by Thursday, 12 October, 2017 (Term 4 Week 1).

Ms Trinity Hook
Kindergarten Teacher

Ms Jodie Corrigan
Principal
