Term 4 Swimming Program

Dear Parent / Caregiver,

Students in Years 2 to 6 are eligible to participate in a Swimming Program at Swansea Pool. This year, in following Department of Education guidelines, the program will be held daily over a two week period from Monday 30, October to Friday, 10 November 2017. Each session is one hour.

Instruction will be given by accredited and qualified instructors provided by the pool. This year there will be 3 groups with limited space available.

Learn to Swim – maximum 12 places. This class is for students who have little or no swimming ability.

Intermediate – maximum 15 places. This class is for students who can swim 25 meters and focuses on stroke correction and breathing techniques.

Life Saving – maximum 18 places. This class is for students who can competently swim 50 meters and focuses on teaching students lifesaving skills.

The cost of the program is \$55 per student. In order to keep the costs down we are asking for parent transport to and from the pool. Unfortunately if we do not get enough parent volunteers the program may not go ahead. The alternative is to provide a bus which would increase the cost of the program to \$125 per student.

Students will need to leave the school at 12:15 for a 12:30pm start. It is expected that students return to school at the conclusion of their lesson.

Permission notes and money need to be returned to the office by Wednesday, 25 October 2017.

Supervisors will be class teachers and qualified instructors.

Requirements: Students will need to bring their swimmers, towel, sunscreen, goggles and a swimming cap if they like.
