

3 June 2014

Dear Parents / Caregivers,

Welcome back to Term 2. As many of you are aware, we have many excellent extra – curricula activities available for our students that are additional to our classroom studies. These activities include Guitar, Band Tennis & Dance.

As you also may be aware Dance was due to begin this term. We have a junior and senior dance group. This year we again have Miss Nicole teaching our students. Lessons will commence on Friday 6 June 2014. Lessons are held at the local community hall from 1.00 pm Friday afternoons. The cost of these lessons is \$7.00 per week.

If you are interested in your child/ren joining either of these dance groups, please complete and return the slip below. Payment may be made for the whole term or on a weekly basis and must be finalised at the end of each term. Accounts are sent to parents twice per term. All outstanding fees from 2013 must be paid before your child will be accepted into this activity. Weekly payments need to be kept up to date. Students who haven't paid won't be able to participate for that lesson.

All notes must be returned to the office before Friday to enable us to organise class sizes.

Yours Sincerely

Ms Deb Hall  
Principal (Relieving)
