Clean Up Australia Day

Nords Wharf P.S. will be participating in Clean Up Australia Day on Friday, 1 March. Clean Up Australia Day is a fun and engaging way to teach our students about the responsible disposal of rubbish, resource recovery and the repercussions of rubbish dumped irresponsibly in our local environment. We will be cleaning up our school, the area between the school and the preschool and Baxter Park. We will complete a rubbish audit at the end of the day to see what sort of rubbish we have the most of and talk about how we can further reduce our waste.

Where:

- Classes K, K/1, 1/2 and 2/3 - within school grounds, supervised by their class teachers.
- 3/4 and 4/5 - the area between the preschool and the back of our school, supervised by Miss Crook and Mrs Pead.
- 5/6 - Baxter Park, supervised by Mr Wootton.

Students will need: a school hat. Students in 5/6 will also need to return the permission note below by Thursday 28 February to be able to leave the school to clean Baxter Park. Rubbish bags will be provided for each class – please do **not** bring in a plastic bag.

Donna Black
Clean Up Australia Day Coordinator

Class 5/6 Clean Up Australia Day Permission Note, 2019

I give permission for my child, of class 5/6, to leave school grounds and participate in Clean Up Australia Day at Baxter Park on 1 March, 2019.

Signed.....
Parent / Caregiver
