Dear Parent / Caregiver,

Student Fees 2021

Students in K-6 require specific books, stationery and learning tools to complete their class work and participate in the curriculum. In order to ensure all students have access to the class requirements the school purchases workbooks, stationery and software subscriptions.

As we purchase in bulk the cost of these items is significantly less than the retail price families would pay. This includes subscriptions allowing every student access to Matific, Seven Steps and SeeSaw as well as additional classroom stationery for student use.

The cost of these book packs is **$55 per student**. As the school has already purchased and paid for the items in the book packs and software subscriptions, it would be appreciated if payment could be made before the end of Term 1.

Public Schools in NSW ask for **voluntary contributions** in order to purchase additional equipment or items that could not normally be purchased due to budget restraints. We are asking families to please support our request for a **voluntary contribution** of **$30 per student** or **$60 per family.** Once again, any **voluntary contribution** money we receive will be used to increase and upgrade the school's IT resources. As the school grows in size, so do our IT needs. If all families were able to contribute this would result in the school raising over $4000. Of course, if you would like to contribute more, we would happily accept higher donations.

Please complete the attached note and return to the school with your payment and/or receipt number if paid online. Online payments can be made via the Parent Online Payment portal on the school website.

Thank you for supporting Nords Wharf Public School and most importantly your child's educational needs.
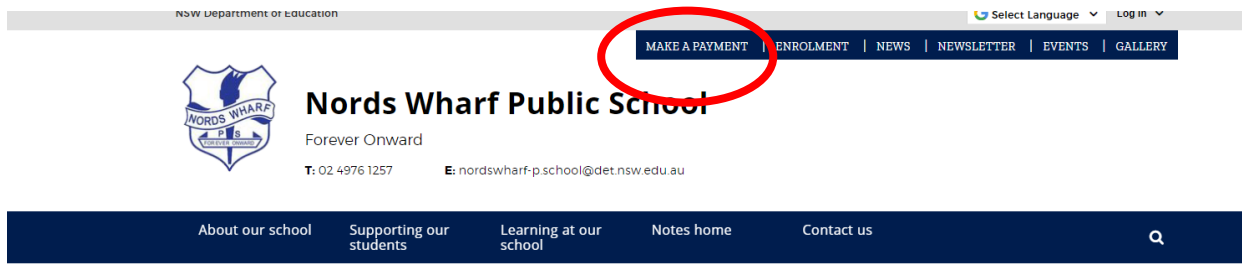

Kind regards,

Jodie Corrigan
Principal

How to make payments online

-Log onto the Nords Wharf Public School website.

https://nordswharf-p.schools.nsw.gov.au/

-Select 'Make a Payment'. The following screen will appear.

Click on 'Next Section' to proceed through the remaining sections.

An online payment receipt will be emailed to your nominated email account.

Handy hint- You can combine sibling payments in the one payment. In the Payment Items section enter the Description-family name (eg- James Family BookPacks), select the fee type. The amount can be the total amount you are choosing to pay. This saves you having to do multiple payments for multiple students.
